Proposed 2024-2025 Parks and Recreation Capital Budget Updates

At the November meeting, we voted on a provisional budget. There were three open areas summarized below. There were also some minor changes to the ADA Compliance expense and the Parks, Fields & Schools safety Improvements. These changes bring our total capital request to \$1,602,500 versus our preliminary November vote of \$1,362,851. An increase of \$239,649.

1. Martin Park Site Planning: Final cost is \$10,000. Was \$60,000
2. Spray Bay Flooring: Final cost is \$67,788. This after some changes to the cost (down from \$117,966 in November to \$89,788) and an offset from our ADA funds of \$22,000.
3. Pickleball Courts: This was the most significant change. The very rough placeholder in November was \$300,000. The cost included in our capital will now be \$779,465 offset by grants of \$146,777 for a final cost of \$635,688. This is an increase of \$335,688.
